

MERGERS & ACQUISITIONS (M&A)

Amman - Jordan
24 - May 2026 - 28 - May 2026
\$5,500

GENTEX®
TRAINING CENTER

Introduction

Mergers and acquisitions (M&A) play a transformative role in the corporate world, shaping industry landscapes and driving growth. Understanding the intricacies of M&A transactions empowers professionals to navigate complex deals and unlock strategic opportunities. This intensive five-day program, offered by Gentex Training Center, equips participants with the knowledge and practical skills needed to excel in the dynamic world of M&A. Through a comprehensive exploration of key deal stages, valuation methodologies, and negotiation strategies, participants gain the ability to confidently evaluate potential transactions, structure sound agreements, and contribute significantly to successful deal execution.

Mergers & Acquisitions (M&A) Course Objectives:

- Master the core principles of mergers and acquisitions (M&A) and their strategic implications for businesses.
- Explore the different types of M&A transactions, including mergers, acquisitions, and joint ventures.
- Gain expertise in deal structuring techniques, including valuation methodologies and negotiation strategies.
- Develop the ability to conduct comprehensive due diligence to identify potential risks and opportunities.
- Understand the legal and regulatory framework governing M&A transactions.
- Master the art of negotiation and navigate complex deal terms sheets.
- Analyze real-world case studies of successful M&A transactions across various industries.
- Develop a personalized action plan to apply M&A knowledge and contribute strategically within your organization.

Course Methodology

This interactive program utilizes a participant-centric approach. It blends lectures from M&A experts, interactive workshops, real-world case studies, group discussions, and practical exercises. Participants actively engage in analyzing potential M&A targets, practicing valuation techniques, role-playing negotiation scenarios, conducting mock due diligence exercises, and crafting action plans for integrating M&A strategies within their roles. Through experiential learning, participants gain the practical skills and theoretical knowledge needed to become valuable assets in M&A transactions, contributing to achieving organizational objectives and maximizing shareholder value.

Who Should Take This Course

- Investment bankers, corporate development professionals, and business owners seeking to enhance their M&A knowledge and skills.
- Finance professionals, lawyers, and consultants involved in M&A transactions.
- Entrepreneurs and business leaders interested in exploring growth strategies through M&A.
- Anyone interested in gaining a comprehensive understanding of the M&A process and its potential impact on businesses.
