

SUCCESSION PLANNING AND TALENT DEVELOPMENT

Doha - Qatar

08 - Mar 2026 - 12 - Mar 2026

\$5,000

GENTEX[®]
TRAINING CENTER

Introduction

In today's dynamic business landscape, ensuring a steady pipeline of qualified leaders is critical for organizational sustainability and growth. This intensive five-day program, offered by Gentex Training Center, equips participants with the knowledge and skills needed to design and implement effective succession planning and talent development strategies. Through a comprehensive exploration of leadership identification methods, development programs, and succession plan creation, participants gain the ability to identify and nurture high-potential employees, prepare them for future leadership roles, and ensure a smooth transition of leadership within their organizations.

Succession Planning and Talent Development Course Objectives:

- Master the core principles and benefits of effective succession planning and talent development.
- Understand different leadership identification methods to assess high-potential employees.
- Design and implement targeted development programs to cultivate leadership skills and capabilities.
- Utilize mentorship and coaching strategies to accelerate the growth of future leaders.
- Develop a comprehensive succession plan that outlines critical leadership roles and potential successors.
- Navigate the challenges of knowledge transfer from current to future leaders.
- Analyze real-world case studies of successful succession planning and talent development initiatives.
- Formulate a personalized action plan to design and implement succession planning and talent development programs within your organization.

Course Methodology

This interactive program utilizes a participant-centric approach. It blends lectures from succession planning and talent development experts, real-world case studies, group discussions, and practical exercises. Participants actively engage in leadership competency assessments, development program design workshops, role-playing activities for mentorship conversations, and creating succession planning frameworks. Through experiential learning, participants gain the practical skills and theoretical knowledge needed to become succession planning and talent development champions within their organizations, ensuring a continuous stream of qualified leaders prepared to take on future challenges.

Who Should Take This Course

- Human resources professionals, managers, and supervisors responsible for talent development and succession planning.
- Business leaders interested in building a strong leadership pipeline for future organizational success.
- Employees seeking to enhance their leadership skills and prepare for future advancement opportunities.
- Anyone aspiring to contribute to a culture of continuous learning and leadership development within their organization.
